

Front Door Security

FOR THE SAFETY OF OUR STUDENT'S AND STAFF, DO NOT OPEN OR HOLD THE FRONT DOOR FOR ANYONE. THEY WILL NEED TO BE BUZZED IN BY THE OFFICE. THANK YOU!

Also, Parents or Guardians, if we don't recognize you, we may also be asking you to show your ID when picking up a student from the office. Please don't be offended! We want to keep everyone safe.

URGENT! Missing Documents

Please check your child's backpack or your email for a letter regarding missing documents that we need for your child's file. Please contact Mrs. Edwards at 282-2044 if you have any questions.

Calls Regarding Attendance

Please call by 8:30 a.m. if your child will be absent. Parents: If you have called a child in late or absent please allow until 10:00 a.m. to have that entered into PowerSchool before calling the office. Please give us a call if your child has been counted absent and they are present. (Sometimes that happens accidentally if the teacher marks the wrong child).

PowerSchool Information

Please make sure that your information in PowerSchool is accurate. Correct phone numbers and emails are very crucial when we are trying to communicate with you.

PTO News

We need parents!! Please join us Thursday, September 21st at 6:00 in the library. Childcare is provided. We would love to have a parent representative from every classroom. See you there!

Car Drop-off and Pick-up

For the safety of our students, please have students enter and exit on the right side of the vehicle and have them properly secured in a car seat if required.

Parents, for the safety of everyone, please use the car drop off or pick up line and stay in your vehicles when dropping off or picking up your child. Please don't walk you child up to the doors, we have adults on the sidewalk to assist your child in exiting the vehicle.

Do you have a dog or other four legged friend?

Please note that all animals should remain in your vehicle while on school grounds. Service animals are allowed.

Picking up your student near dismissal time for an appointment?

Please park on the WEST side of the parking lot (the side where the privacy fence is) so that you will be able to exit quickly!

New Procedures for Report Cards!

New procedures will begin this year regarding midterms and report cards. We are only printing the first report card which you will receive at your Parent Teacher Conference meeting. You will be notified through Power School that a report card or midterm is ready to view. For midterms and other report cards you will log into your PS parent account and scroll down on the left side to see "student reports". **This does not work in the app!** There will be a prompt to sign and acknowledge that you have received the report card.

We are saving time and trees this way!

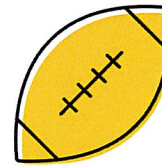

Coming soon! Watch for info to come home in student's backpacks after Labor Day!

Bus Expectations

Now that the year is in full swing, we want to reinforce bus expectations with all our students and families. Following these expectations keeps all our riders safe and our buses running smoothly. In this newsletter, you will find the bus expectations poster that is posted in all buses. Thanks for your help in reinforcing these expectations with your kiddos!

Also, students are not allowed to ride home with another student unless they already ride the same bus. Thank you for understanding.

Delta High School Football Games

A message from Mr. Conley, DHS Principal

1. Middle School and Elementary students should be accompanied by an adult.
2. All school rules apply while at the game.
3. During the game, all students should be in the bleachers, not up and running around. There are specific bleachers for middle school students.
4. No type of ball may be brought into the stadium.

GO EAGLES!!

Positive Behavior Reinforcement (M.O.P.)

At Royerton Elementary, we utilize a school-wide program designed to help students stop and think before they act. The acronym is M.O.P. and it stands for "Me, Others, and Property." The question that we want students to ask themselves before making a choice is, "could this hurt me, others, or property?"

In addition to our M.O.P. rules, we emphasize the importance of having good character by focusing on one character trait each month. Every month our classroom teachers will nominate one student who has demonstrated that trait, and those students will pick a prize and be recognized on the announcements. For the month of August, we are focusing on **COURAGE**. We appreciate you working alongside of us as we target the following:

- 1) Encouraging your student to try something new
- 2) Continuing to stand what you believe in
- 3) Continuing to be true to yourself

Here are the character traits for the first semester:

Aug.- COURAGE **Sept.- RESPECT** **Oct.- CARING** **Nov. HONESTY** **Dec.** Review of the traits

Redbird Bucket Fillers

Our students can also be recognized for exhibiting positive behavior. Any building staff member can award a student a card for exhibiting positive behavior. Mrs. Vance (Assistant Principal) and Ms.Conti (School Counselor) will do drawings for prizes in the cafeteria every couple of weeks.

SHIFT ^{Free Program}

HOPE FOR GRIEVING KIDS AND TEENS

SHIFT STARTS SEPTEMBER! SPREAD THE WORD

As we get ready to kick off SHIFT for fall 2023, we want to ensure every kid and teen in grief has access to the support they need. That's where you come in! Please pass on this info on to adults you know who have youths experiencing grief from the death of a loved one.

Past SHIFT participants making sand art. For this activity, all youth can choose from the same colors — but every piece looks different. It's a lot like grief, unique for every person.

What is SHIFT? SHIFT is a 9-week program designed to support kids and teens (grades 3-12) in their grief journey.

Where? Commonway Church in Downtown Muncie (201 E Charles St.)

When? Weekly on Mondays: September 11 – November 13 @ 6–8pm (fall break October 9)

How? Community volunteer facilitators use workbooks and projects to guide participants from anger and fear to hope for what's next. And yes, we have fun! (Snacks and dinner included.)

Have more questions? Email shiftmuncie@gmail.com.

REDBIRD READING CONNECTIONS

Reading Around the House and Beyond (adapted from RRCNA by Mrs. Jessica Blakely & Mrs. Kendra Hirons)

Strong language skills can make your child a better reader, writer, and all around student. **You** can help to build those skills just by getting your child to read, write, and talk more.

While doing your everyday activities at home, take time to leave a short note for your children to find. These can be just for fun or to improve a behavior. A quick note to compliment them such as, “Thanks for helping with the dishes!” or one that serves to remind them – “Please hang me up. Signed, your towel” – can help them practice their reading. Look for unique places to put a note, such as on pillows, by toothbrushes, on the cereal box, on the computer, or in their lunch bag. Your child will enjoy finding the little notes and may even leave one for you!

When you’re on the go, keep your eyes open for opportunities to point out words that are on signs and labels being used around you. View the menu at a restaurant together or let them help with marking off the grocery list when shopping. Using environmental print (the words appearing in signs, labels, and logos all around us) is a great way to reinforce letters and letter sounds in a word they already familiar with and recognize. These are the same skills they will use when they encounter an unknown word while reading.

Royerton Elementary will be hosting Grandparents' Day on Wednesday, September 20, 2023. This year we will welcome our students and their grandparents from 3:30 - 5:00 p.m. Grandparents can visit their classrooms, shop at the Book Fair, get their pictures taken, and have a cookie and water in the classroom. This open house format will allow our families to visit when it is convenient for their schedule.
