4/18	PTO meeting @ 6:00p.m.
3/20	Delcom Qtr. Auction 6-8p.m. @RES

From Mrs. Lewman's Desk

Next week our 3rd graders will be taking the IREAD-3 test. If you have a 3rd grader, please make sure they come to school with their chromebook charged. We did our practice testing this week and found that many of the students did not have their devices charged. Each classroom has 1 extra chromebook available for testing. **Please make sure your child's device is charged for testing on Tuesday March 5th and Wednesday March 6th.**

2024-25 Sign-Up For Kindergarten Round-Up

Royerton Elementary's Kindergarten Round-Up is just around the corner. In order for a child to be eligible for Kindergarten, he/she **must be five (5) years of age on or before August 1, 2024.**

A form is attached to our newsletter and may also be picked up in the office. In order for us to plan, we ask that all completed forms be returned to our school office by [Tuesday, March 19, 2024](#). You will be contacted by **email** at a later date regarding setting up a time for your child to be tested.

On February 15th, I had the honor of attending a ceremony at the Indiana Statehouse that celebrated schools who achieved a 95% passing rate on IREAD-3 last year. Royerton was one of 110 public schools honored in Indiana. I am so grateful that the work being done by the teachers, staff, and students at Royerton is being recognized. Great job, Redbirds!!

Memo from the Transportation Dept.

Please be aware that students are **not** allowed to ride home on the bus home with another student unless it is their normal bus route. If they are riding home with someone from their bus, we will need a note from the parent stating that it is ok to get off the bus at someone else's home, again only if they are on the same bus route.

We have also been experiencing some unacceptable behaviors on the school bus. Please review with your students the bus expectations attached to the newsletter.

Thank you!

Important information From the Nurse

CELSIUS LIVE FIT FLAVOR PACKETS

It has been brought to my attention that some students are bringing in Celsius Live Fit flavor packets and drinks, and possibly sharing with classmates (they are marked on packets for Adults over 18), we would recommend you speak to your students about not accepting things from other students. We also would recommend these not to be sent in with your student, these are not approved for children and may oppose a serious health risk to your child.

NEW COVID - FLU A - FLU B POLICY

We have a new policy, in regards to COVID, FLU A, and FLU B. If you give your student a home test and it is (+), your student may return to school when they are asymptomatic per the 24 hour policy we have in our handbook (which consists of fever free for 24 hours without the aid of fever reducing medication, a persistent uncontrollable cough or excessive nasal secretions). If you have a note from your Dr. that states a date to return and your student is asymptomatic, then we will follow the return date of the student's Dr. note.

If you have any questions please call Nurse Shakro at 765-282-2044

Royerton Elementary School

School Nursing Services

Student Illness Guidelines

One of the problems often confronting parents of school age children occurs when a child complains of not feeling well on a school day. A decision must be made as to whether the child should stay home or go to school. The following information is a suggested guideline for helping you make the right decision. This information does not replace advice by a doctor. This guidance was developed so children have an optimum learning environment and to reduce spreading illness to other students. Do not hesitate to call your doctor with questions and to seek advice.

Fever

- Any student with a temperature of **100.4 F or above** will be sent home from school. Please keep your child home until the temperature is normal for at least **24 hours without the use of fever-reducing medications** (Tylenol, Ibuprofen).

Vomiting/Diarrhea

- Any student with vomiting and/or diarrhea will be sent home from school even if they do not have a temperature. Please keep your child home until **24 hours symptom free** before returning to school.
- If your child has a medical diagnosis explaining recurring vomiting/diarrhea, please discuss this with the clinic staff so an appropriate plan can be developed for your child.

Colds, cough, sore throat

- The common cold may be one of the most frequent problems for parents. Ask yourself these questions when determining if your child will have a successful day at school: Is their temperature normal? Will they use tissues appropriately? Is their cough so persistent that it may disrupt others? Did the cough keep them from getting a good night's rest? Is your child's throat so sore it prevents them from eating or drinking? Have these symptoms persisted more than 3-4 days?
- These may be reasons for your child to be sent home from school. If they develop fever or are tired or run down from excessive coughing, they should stay home.

Use this quick reference table if you are unsure if your student should attend school.

Send to school:

Keep home from school:

Fever	During the past 24 hours, the student's temperature has been below 100.4 F and no fever reducing medication has been taken.	During the past 24 hours, the student's temperature has been more than 100.4 F and/or medication has been needed.
Diarrhea	During the past 24 hours, no more than one watery stool has occurred.	During the past 24 hours, more than one watery stool has occurred.
Vomiting	During the past 24 hours, no vomiting has occurred.	During the past 24 hours, vomiting has occurred.
Eyes	Eyes may be itchy, but are not red, swollen, crusty or draining.	Eyes are pink, draining, crusty, painful, sensitive to light, or students have vision changes.
Cough/runny nose	Slight cough or runny nose, but no fever, and the student is able to cover cough, blow nose, and wash hands.	Cough is uncontrollable, symptoms are severe enough to impede learning, cough is accompanied by fever.
Rash	Rash is not draining or spreading. The student does not have a fever, and symptoms of itching are not severe enough to impede learning.	Evidence of impetigo or persistent skin disorder, rash is bothersome or distracting, rash is accompanied by fever, rash is spreading or draining.
Ears	Ears may be tender but are not draining.	Ears are draining fluid or blood.

Wednesday, February 28-Wednesday, March 6

Packets went home last week, but forms are attached.

TARDINESS

We have been experiencing a high volume of students coming in tardy in the mornings. Just a reminder that the children may be dropped off as early as 7:30 and kids need to be in their classroom by 7:50 or they will be counted tardy. Moms and Dads, please set your alarms five minutes earlier. Missing 5 minutes of class means your student is missing important instructions for the day.

If you are dropping off a student after 7:50 a.m., a parent will need to come in the building to sign the student in.

Emory Conner, a second-grade student, in Mrs. Rodgers' class, had the honor of meeting Governor Eric Holcomb a few weeks ago, with the Boys & Girls Club of Muncie. Emory was selected as a representative for her excellent behavior in their after-school program. Emory participated in the statewide advocacy day at the statehouse. She met local representatives, the Governor, and heard from various guest speakers. Emory learned important skills, such as advocacy, and learned about our state government.

WE ARE REDBIRD PROUD OF EMORY!!

On Saturday, February 24th, several members of the Redbird Choir participated in Circle the State with Song at Anderson University. These students learned 6 songs ahead of the festival. On the day of the festival, the Circle the State members practiced with 250 elementary students from the surrounding area. Congratulations to the following students: Isabella Baty, Ella Dawson, Levi Elliott, Gracie Jones, Emma Kowalski-Brock, Mavery Lipps, Lucas McRoberts, Elliot Mengelt, Annie Nolan, Lilly Purvis, Madelyn Resler, Braylee Riggins, Colleen Roberts, Kim Servan, Blake Soldaat, Lucy Stephen, and Violet Weimer.

REDBIRD READING CONNECTIONS

Waiting and Car Games (adapted from National RRCNA website by Mrs. Jessica Blakely & Mrs. Kendra Hirons)

Waiting has become a part of our everyday lives. With spring break approaching, you may find your family waiting in line or waiting during a car ride to your vacation destination. The next time you hear, “How much longer?” try one of these word games to pass the time and grow your child’s vocabulary.

- Start with a category such as insects, food, words that begin with “A,” or sports. Take turns naming items in that category. When you feel you have exhausted one topic, begin a new one. Add a time limit to answer for more of a challenge.
- Try an alphabet search. One person names an object that begins with the letter “a.” The next person names something beginning with “b,” and so on.
- Start with a simple word like “up,” and take turns thinking of the opposite. For example: left / right, high / low, off / on
- Say a word and see if your child can tell you (or clap) the number of syllables in the word. For example: watermelon – 4 or baseball – 2. Or you can ask your child to name a 2 syllable word, 3 syllable word, etc.
- Play a rhyming game. One person says a word, like “hot,” and the next person comes up with a word that rhymes with it, such as “spot.” When there are no more rhyming words, start with a new word.
- Say a word such as “tub.” Your child then has to say a word that begins with the last sound in your word (b - book). Now you have to say a word that begins with the last sound in their word (k - kite), for one example.

Getting your child to use and think about words in different ways can be fun and build their vocabulary.

Daughters *and* Dads Hawaiian Luau

April 6th

6pm-7:30pm

Royerton Elementary Gym

-

Safety First

- Sit on your bottom
- Stay in your seat
- Face forward
- Walking feet

Royerton Read-a-thon 2024

What is the Read-a-thon?

The Read-a-thon is our largest fundraiser of the year. Participants earn money by reading, logging minutes read, and securing pledges. Participants are encouraged to get pledges from family, friends, neighbors, and businesses to support Royerton's PTO. During previous events Royerton students have far exceeded our reading and fundraising goals!

Students will log reading minutes **Wednesday, February 28 - Wednesday, March 6**. Students are encouraged to bring their reading log (page 2) to school daily (February 29-March 7) to be eligible for reading prizes.

Follow Read-a-thon progress and other PTO news on Facebook - [Royerton PTO | Facebook](#)

How do I get Pledges?

Ask friends and family to sponsor you during the Read-a-thon!

Use the pledge tracking form included with this information. You can collect donations directly from friends or family and return donations in an envelope labeled with your student's name, teacher's name and Read-a-thon by Friday, March 8.

-AND/OR-

Register your child at <https://pledgestar.com/royerton> to collect donations online (beginning today!). Click the "not registered" link, enter your name and email then follow the simple registration steps. When you finish, the system emails pledge requests to your family and friends, and allows them to make secure credit card donations online. You will be notified each time a pledge is made and can track your pledge progress online. It takes just minutes to set-up your child's fundraising page!

All collected money and reading logs must be returned to school by **Friday, March 8** to be eligible for final reading and fundraising prizes. Please return all reading logs by March 8 even if no pledges are collected.

What is our goal?

Our #1 goal is to make sure ALL students end the event with a stronger desire to read and a richer knowledge of how the skill of reading affects all aspects of their lives.

Reading: Our school wide goal is to read 120,000 minutes!! We would like for every student to read as much as they can every day, with 20 minutes as a minimum daily goal.

Pledging: We hope to collect \$15,000 in pledges. Pledge money will support our PTO activities. The PTO assists with Teacher grants, Field Trips, Grandparent's Day, Parent Appreciation Day, Classroom Technology, Field Day and more! With your help every student will benefit!

What if we reach our goals?

The top reading and fundraising students will receive recognition and Read-a-thon prizes. The top reading student from each grade level will get to throw a pie in Mrs. Lewman's and Mrs. Vance's face! See other fun Read-a-thon prizes on the last page.

Read-a-thon Student Reading Log

*****Please bring to school daily Thursday 2/29-3/7 for the chance to win reading prizes*****

Log minutes read for the Read-a-thon **Wednesday, February 28-March 6**. Reading rules on the next page. Please keep your log in your school binder/folder and turn into your teacher daily to be eligible for the daily prizes. All reading logs must be returned by **Friday, March 8** to be eligible for final Read-a-thon prizes. Please return your reading log by 3/8 even if you did not participate in collecting pledges. Adult initials required for daily reading minutes and total minutes.

Student's Name _____

Teacher's Name/Grade _____

Date	Books Read	Minutes Read	Adult Initials	PTO Volunteer
2/28 Wed.				
2/29 Thurs.				
<u>Total Minutes</u> 3/1,2,3 Friday-Sunday				
3/4 Monday				
3/5 Tuesday				
3/6 Wed.				

Total Minutes Read 2/28-3/6 _____ **Adult Signature** _____

**** Students and parents please help make the Read-a-thon fun and fair for all and be honest in total reading time. If teachers or volunteer questions an excessive amount of minutes they will not be included in your students total****

Read-a-thon Rules for Readers

WHEN: Starts February 28-March 6 (Bring your reading log to school daily 2/29-3/7)

INDIVIDUAL GOAL: 20 minutes minimum /Per Day, Every Day (yes weekends too)

SCHOOL WIDE GOAL: 120,000 minutes!!

1. Reading before February 28 does not count toward Read-a-thon goals.
2. You can only read a book once for the Read-a-thon. When you finish that book, read another! (Kindergarten and 1st grade are the exception; take home readers can count toward reading minutes)
3. For Kindergarten and 1st grade, other people reading aloud to you counts.
4. Reading aloud to other people counts. If you read to your friend or your brother or sister, it counts! Reading aloud to the dog, the cat, and the goldfish counts.
5. Reading in a tree, on the bus, in the car, on an airplane, in a hotel or under the bed with a flashlight counts (as long as your parents give you permission).
6. Reading books, magazines, and websites ALL count. Any parent approved readable material counts!
7. Reading instead of doing your homework does not count.
8. Reading instead of watching TV does count.
9. No guessing or rounding off minutes. Please look at the clock or use a timer or stopwatch (no need to record seconds)
10. Please be HONEST in order for this to be fair and fun for everyone! Parents please initial the reading log daily.
11. Bring your reading log to school daily. Three (3) random readers from each class will get a prize from our daily prize cart (must read a minimum of 20 minutes).

Return all reading logs (regardless of participation in collecting pledges) by Friday, March 8th.

Royerton Read-a-thon Sponsor Pledge Form

Please record all online donations, cash, and checks collected below and return in a sealed envelope your student's name, teacher's, and labeled Read-a-thon by Friday, March 8. Please make checks payable to Royerton PTO.

Pledges can be submitted online via www.pledgestar.com/royerton. Please mark all donations collected online (✓).

Student _____ **Teacher** _____

<i>Sponsor's Name</i>	<i>Phone or Email</i>	<i>Amount Collected</i>	<i>Online donation (✓)</i>

Quarter Auction to Support the DelCom Foundation

Wednesday, March 20th at Royerton Elementary School

We will be hosting the event in the gymnasium!

Doors Open at 5:00 p.m. - Event from 6:00-8:00 pm

Join us for a night of fun as we raise money to fund student scholarships, teacher grants, and resources needed to help our corporation!

What is a quarter auction?

A quarter auction is part raffle, part auction, and part fundraiser; All proceeds will go directly to sponsor the DelCom Foundation.

It works a bit like bingo. When you arrive, you will be given 2 numbered paddles for a suggested donation of \$10. These paddles will have a corresponding numbered ping pong ball which will be put into a drawing basket. Throughout the evening, you will place bids with your quarters on the items up for auction.

What should you bring?

- \$10 suggested donation entry fee
- Quarters - we recommend at least two or three rolls (\$20-\$30 worth)
- Your friends and family!

Please RSVP on our Facebook page!

Tickets can be purchased at the door.

Delta Girls Softball Association, Inc.

www.deltagirlssoftball.com

Registration for the summer recreational softball league has begun. Do not miss out on an exciting opportunity to learn and play softball with girls your own age.
