April 2024

Amy Lewman, Principal
Rachel Vance, Asst. Principal

From Mrs. Lewman's Desk

It is hard to believe that we will only have 37 days of school when we return on April 1st. The days will be filled with field trips, testing, and Kindergarten Round-Up. Even though the days are winding down, it is very important for students to be at school.

Students in grades 3-5 will begin taking ILEARN assessments on April 17th. All students in grades 3-5 are required to take the test. Students will need to come to school each day with headphones and a fully charged chrome book. Please make sure your student has a good breakfast and has gotten a good night's sleep. We will be testing in the mornings so if your child will be out, please communicate that with your child's teacher.

Have a wonderful Spring Break!!
Mrs. Lewman

REDBIRD READING CONNECTIONS

Being a Reading Buddy (adapted from National RRCNA website by Mrs. Jessica Blakely & Mrs. Kendra Hiron)

Want to spend time with your child, build their love of books and their reading skills all at the same time? You can when you become your child's *reading buddy*.

Set aside some time to sit with your child and read together every day. You might aim for 10 minutes at bedtime or use it as a way to connect when you get home from work. You can always bring along a book to read in the car while you're traveling or while waiting for a sibling to finish up at their sports practice.

Being a *reading buddy* allows your child to continue a story beyond the point of what he or she can read independently. Or it can let your child hear their old favorite stories over and over again.

Here are a few ideas to get you started:

- Find a series that your child is interested in reading. Children who like one book in a series will probably enjoy the others in the series as well.
- Read fiction, but don't forget about informational books on topics that are of interest to your child. Many times informational books are written at a higher level. This is a great way to introduce new words to their vocabulary.
- Make reading have a purpose. Link reading to activities you are doing, such as cooking or reading a menu at a restaurant.
- Encourage conversations about reading. Ask your child, "What's the most interesting thing you read today?"

You don't have to be an expert reader or read like an actor to keep your child engaged in the story – they will *love* it when you read with them because it's **you**.

Dear Parents,

We wish to announce that the Royerton Elementary **Kindergarten Round-Up** for next year's Kindergarten students has been scheduled for Wednesday, April 24th, and Thursday, April 25th, 2024 from 3:00-7:00p.m. You will receive an email from Mrs. Lewman by March 20th to sign up for a time to come in on one of those days. This important event marks the beginning of your child's educational journey and will last approximately 30 minutes. We are asking that younger siblings of the future kindergartener do not attend due to testing space.

In order for a child to be eligible for Kindergarten, he/she must be five (5) years of age on or before August 1, 2024. You are required to bring your child's **IMMUNIZATION RECORD**, a photocopy of their **BIRTH CERTIFICATE**, **SOCIAL SECURITY CARD** and **(2) PROOFS OF RESIDENCY**. Evidence of a physical examination and immunization of childhood diseases will be necessary for a child to be eligible to start school in August.

To aid us in planning for round-up, we ask that the bottom portion of this letter be **completed and returned to the school by Tuesday, March 19th**. It is very important that we have complete information regarding the email, address, phone numbers, etc. Please feel free to call Mrs. Wirt or Mrs. Edwards at 282-2044 if you have any questions. Thank you for your help and cooperation. We are excited to meet our 2024-2025 Kindergarten class!

Sincerely,

Mrs. Amy Lewman
Principal
